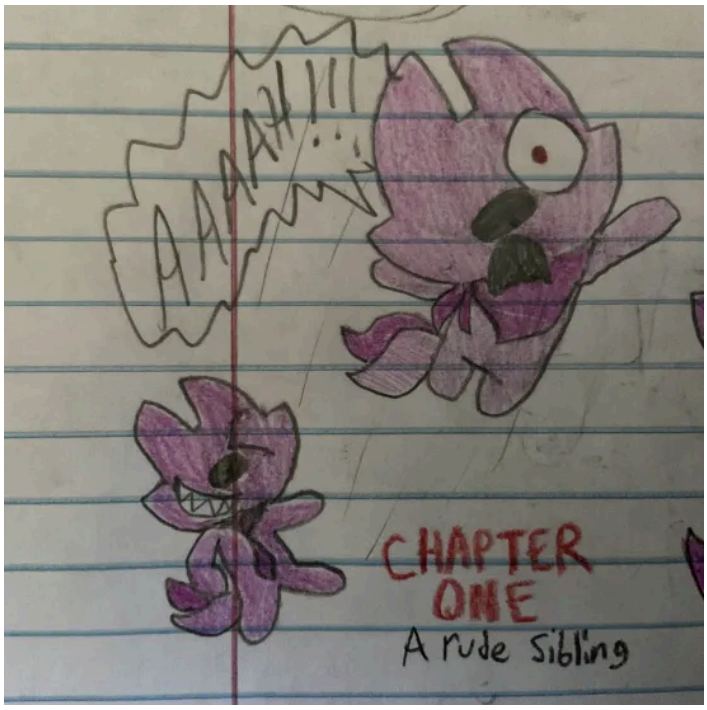
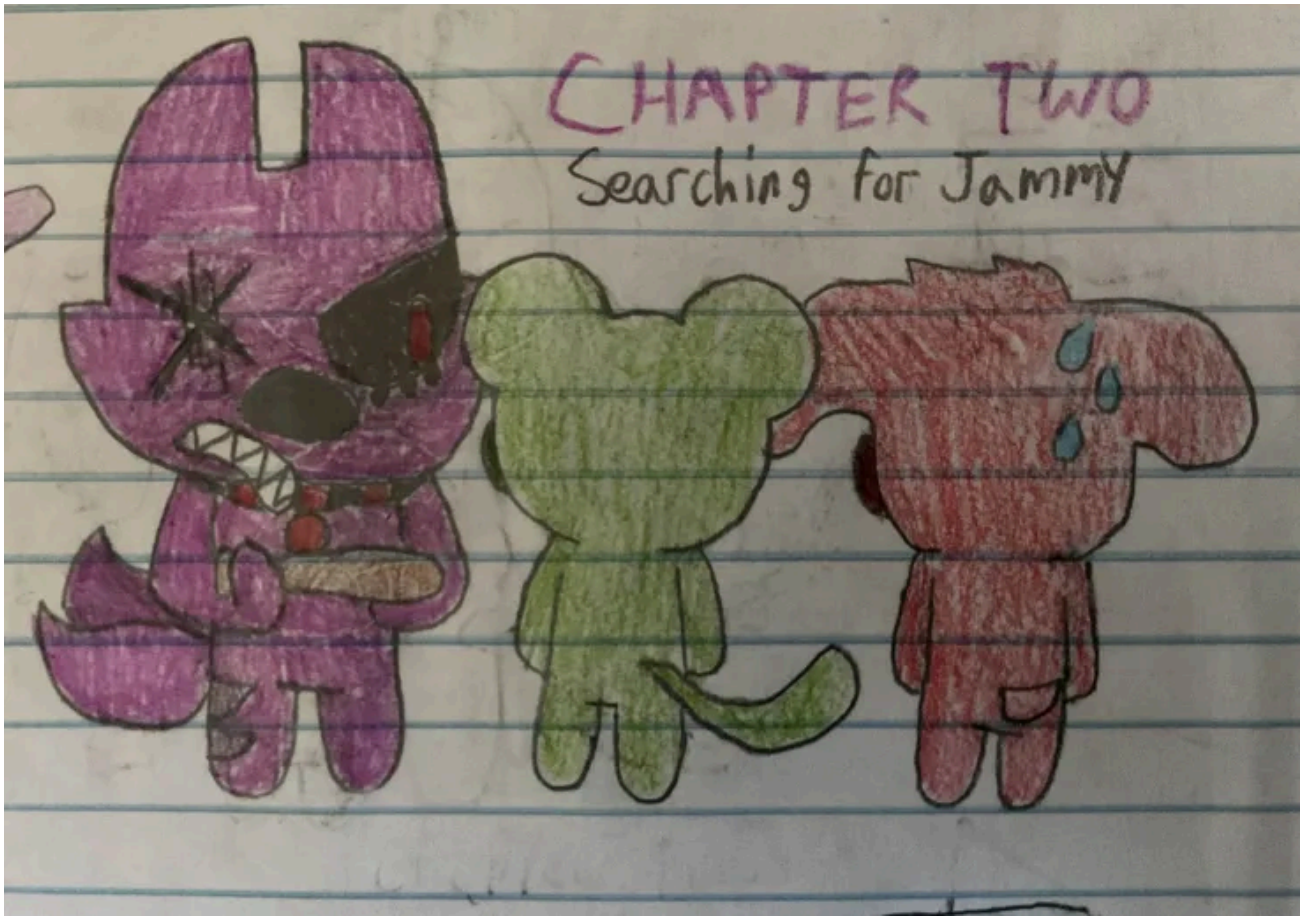
Chapter 1: A rude sibling



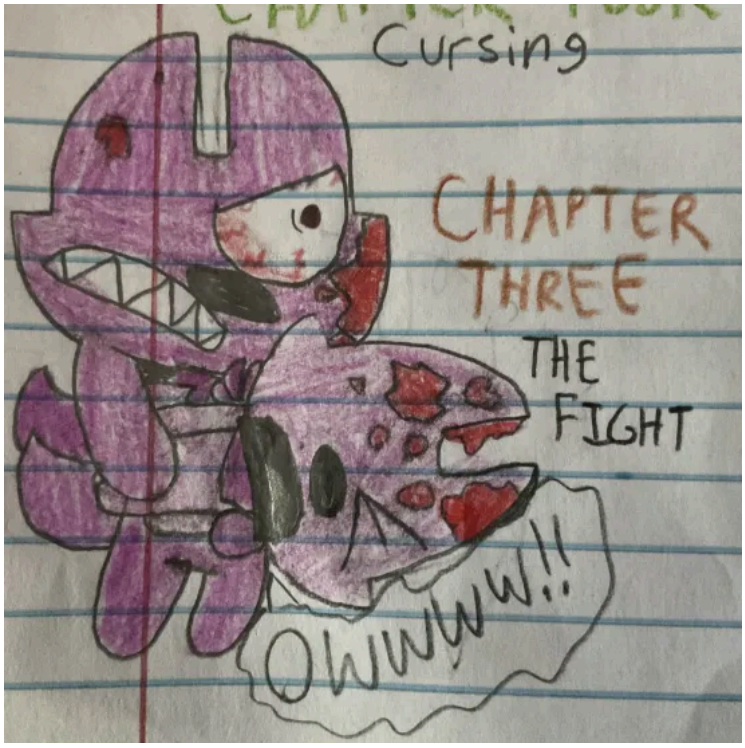
There was once a group of critters. They insisted of a green mouse named Jams, a yellow kitty named Gabe and a red dog named Bupps. They were friends with a pink fox with a tie, one eye and two tails named Jammy. She was annoyed by her little brother, Killian, and wanted to do something she thought was funny. “Ready Killian? Kick the fox!” says Jammy as she prepares to kick Killian into the sky. “Don’t kick the gosh d@mn fox-“ Killian objects before Jammy shouts “KICK THE FOX, B!TCH!” and punts her little brother into the sky. Jams and his friends are shocked to see this happen. Killian screams while Jammy giggles about her decision. Jams’ little sister, Jella, also saw what happened as well. “Owwww…” Killian groans after hitting the floor. “That was mean.” says Jella. Killian is severely hurt after this. Jams is annoyed since this isn’t the first time Jammy has done this. Killian then says “I’m gonna get revenge on her one day.” Jella supports him by saying “Yeah, she just did that for no reason. It was rude…” “That’s why me and my older sisters don’t like her.” Killian says. Jams agrees by saying “I agree with you and Jella, Jammy’s extremely rude. You may be a yapper, but you don’t deserve to be PUNTED for it!” Killian then goes off to tell his older sisters, Lavinia and Dahlia, what happened to her. “I know that they’re gonna beat her up,” says Killian. Jella has met them before. “I’ve met them. They just LOOK powerful, I was quite scared when I first saw them.” Killian then gives more information about them. “They have a mansion since they’re a lot more richer than Jammy is. They also have the coolest weapons, like maces, swords and axes!” Jella and Jams are interested in learning about Jammy’s sisters. Phoebe, the pink cat, another friend in the JamsCards group, shows up and waves. Killian waves back at her. “Oh, hey, Phoebe is here,” says Jams. “She doesn’t talk, by the way.” Gabe and Bupps greet Killian as well. “I wanna show you guys my older sisters since I called them and told them what happened.” Killian’s older sisters then walk in.

Chapter 2: Searching for Jammy



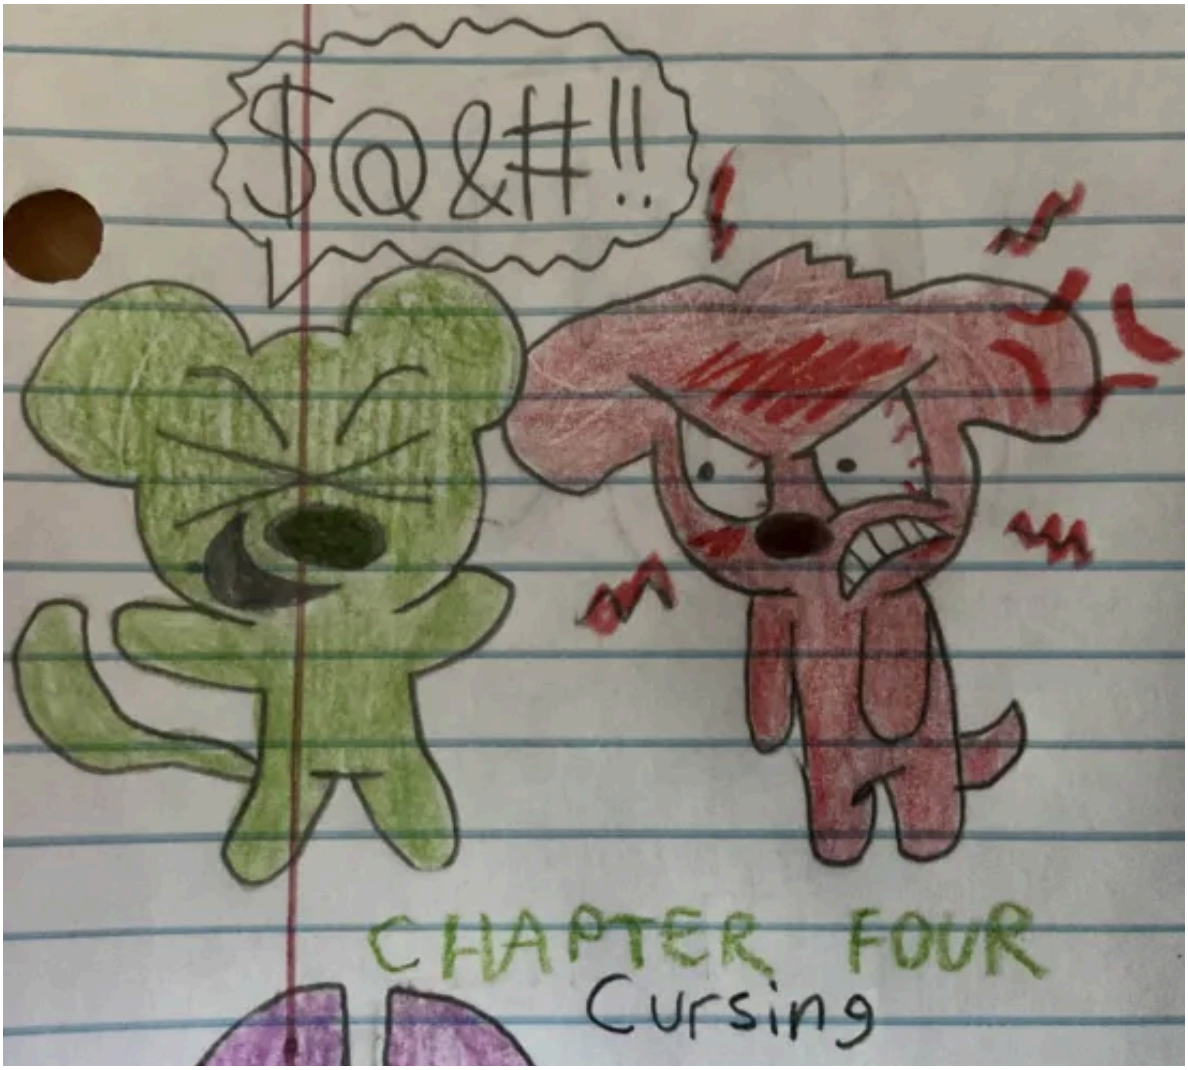
Killian's older sisters look very powerful. They have big X's where their other eye is supposed to be. Dahlia has an ax. Lavinia has a black bow around her neck. Both of them have scary-looking dark eyes with red pupils, and look like something out of your worst nightmares. Bupps is slightly scared because of their looks. Everyone then greets the two sisters. Dahlia pulls out a baseball bat. "So… you're one of Jammy's friends, huh?" Bupps, being slightly scared still, says "Y-yeah… me and Jams are friends with Jammy." Dahlia then reveals their plans. "Alright. So… we're here to beat her @ss up for what she did to Killian." Lavinia asked, "Do any of you know where she went?" "I don't know, after she punted Killian, she ran off…" Bupps says. The group is wondering where she is now. Lavinia has an idea on how to find her. She calls Jammy's phone so that it makes a noise. Over by some random car, there's a ringtone coming from behind it. Jams has figured it out. "AHA! She's behind the car, Lavinia!" Jammy then shouts, "AH, SH!T!!" And the chase was on. "GO GET HER!!!" Jams shouted as he, his group, and Jammy's siblings began to chase her down. Lavinia says "YOU COME OVER HERE!!" as her and Dahlia were chasing her. Eventually, they caught up.

Chapter 3: THE FIGHT



A large fight breaks out between Jammy and her sisters. Killian and the JamsCards group watch as Jammy tries her best to fight back. “GO, LAVINIA, GO!” Jella cheers. “She deserves all of this.” Jammy then stabs Lavinia in the stomach. “OH SH!T!!” Jams shouts in surprise. Bupps angrily tells Jams to stop cussing. “Watch your mouth, Jams.” Jams apologizes and claims that since Jammy’s allowed to do it now, he can too. Lavinia screams and punches Jammy after being stabbed. Jams cheers more. “COME ON, LAVINIA! KICK HER @SS!” Bupps doesn’t like hearing Jams curse, he thinks it sounds unnatural. The group is hoping Lavinia and Dahlia beat up Jammy badly. Suddenly, Jammy snatches Killian and uses him as a bat to hit their sisters with. The entire group is shocked at what happened. “OH MY GOD!!!” Jams shouted. Killian is in lots of pain while this situation unfolds. “OW, OOF, AH!” Killian grunts while being swung at the sisters. Killian starts bleeding and growls at Jammy. “STOP DOING THIS TO YOUR SIBLINGS!!” Jams shouts. Killian then bites Jammy’s face. The group cheers him on. “YEAH, BITE HER! YOU CAN DO THIS!” Jams cheers. Jammy is screaming in pain after being bitten. Then, Dahlia kicks her in the stomach! “OWWWW!!!” Shouts Jammy. Jams cheer some more. “YEAAAAH!! KICK HER @SS!!” Jammy then gives up. “OKAY, YOU KNOW WHAT? FVCK YOU ALL.” Jammy yells as she walks away. The group starts laughing at her. The fight is over, right? Wrong. Dahlia suddenly grabs her arm. “We’re not done yet…” Dahlia says before flinging her into the sky. The group watches as Jammy flies in the air, eventually going too far away for them to see. “AW YEAAAAAH!!!” Jams cheers even more. “JAMMY IS GONE! FINALLY!!” Bupps is excited to see her gone. Killian giggles and says “That was fun! I’m gonna go hack some servers now.”

Chapter 4: Cursing



Bupps whispers at Jams. “Can you please stop swearing though? It doesn’t sound good.” “Okay, fine,” Jams agrees. “At least that stupid pink fox is gone, she deserved all of that.” Gabe had almost fainted during the battle. He faints at the sight of a lot of blood. “Guys, that was too much. I almost fainted…” he says. Jams tries to cheer him up. “Well, Jammy is gone now, so try to cheer up!” “Okay…” says Gabe. Jella had left for a while during the battle. “Sorry, I was gone for a bit. What happened to Jammy?” “Jammy got her @ss kicked.” Jams tells her. Jella begins to celebrate. “YAY! She’s gone!” Bupps starts getting mad again. “I TOLD YOU TO STOP SWEARING, JAMS!!” “WHATEVER! YOU’RE NOT THE BOSS OF ME!” Jams angrily shouts at Bupps. “Now Jams is being rude…” Bupps says in a scared-sounding voice. “Sor-RY, Bupps, I’m just happy. That stupid pink fox was allowed to swear, so I can swear too.” Jams gets mildly annoyed with Bupps. “You don’t control JamsCards, I do! But… I guess I’ll stop just for you…” “Okay, good.” Says Bupps.

Chapter 5: The hospital

Jams and his group decided to visit Jammy in the hospital. Jammy looks at them with an angry look while lying in a hospital bed. “Honestly, that’s a skill issue.” says Jams. Jella then says “How does it feel now? Huh??” Jammy starts angrily talking about the situation. “I can’t believe my fvcking stupid @ss siblings came into my life and beat the sh!t out of me.” Jella then gives her some more advice. “Well, you beat the crap out of them, so they beat the crap out of you in return. That’s KARMA if I’ve ever seen it. Learn to accept karma, you mean fox.” Jammy rolls her eyes as she says “Whatever.” The group laughs at her again. “Anyways, get out. All of you.” Jammy angrily demands. The group begins to leave. “Alright. Just remember that karma ALWAYS bites back.” says Jams. Jella then gives her one more piece of advice, “Yeah. Learn from your mistakes.” Afterwards, the group left the hospital. Jammy then starts smoking in the hospital without anyone knowing.

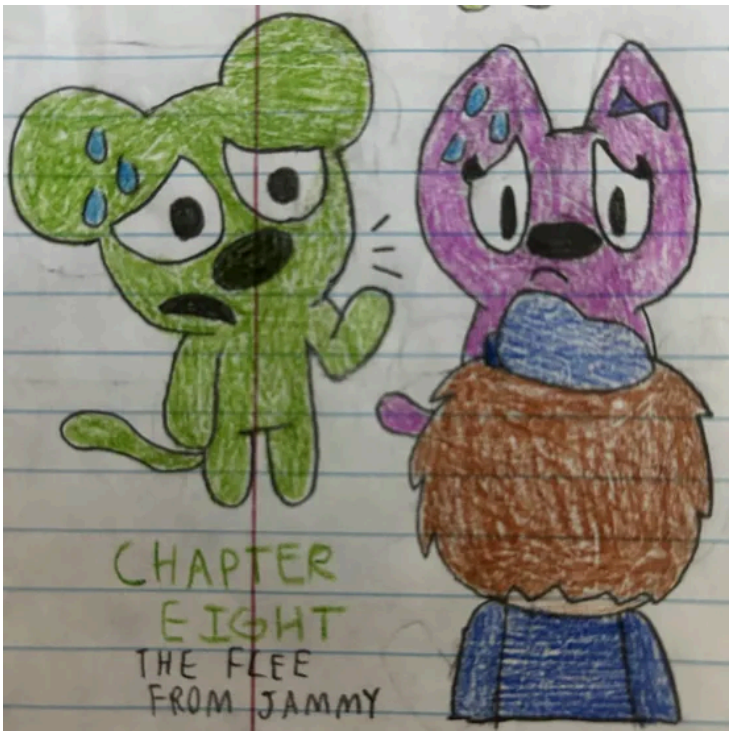
Chapter 6: Sneaky peek

Jack, Jams' older brother, wasn't there for a while and asked Jams what happened to Jammy. "She's in the hospital." "Yeah, karma got to her!" says Jella. Jack smiles a bit. "She deserved it too. She was about to quit, but then Dahlia launched her into the sky really far!" Jams says. Meanwhile, at Jammy's hospital, Jammy found a little tan colored blob named Pou. "Meep!" Jammy is super confused after seeing Pou… and she decided to rip it apart brutally. The Pou screamed really loudly and Jammy ate its organs and then lay back on the hospital bed to relax. Meanwhile, Jella heard the Pou shriek in pain and was confused as to what she heard. "Did she just kill Pou again?" Jams asked in confusion. Jella was unsure. "That scream sounded like Pou from when I hid from her yesterday. I think I need to go peek into the hospital window to see what is happening…" Jams then walked over to the hospital window, and was grossed out and stunned by what he saw. "She's eating Pou's organs." Jams informs everyone. "SHE WHAT?" Gabe yells out. "Jella, if you didn't know, she's a psycho, too." Jella was stunned. Jams peeks into the window again. "SHE'S SMOKING NOW!" Gabe is too worried. "I can't take it anymore…" Jams was worried about him too. "I feel like you need to leave before you faint again." "Okay, I feel like I need to as well… bye guys…" Gabe said as he walked away. Suddenly, Jams hears another "Meep!" come from below. Jams is confused to see Pou again. Somehow, the Pou revived itself.

Chapter 7: Psycho fox on the run

“Wait… Pou’s back again??” Jams asks in confusion. “Didn’t you say that Jammy was eating Pou’s organs in the hospital? How is it back?” Jella and Jams were both very confused. “I don’t know, somehow me and my friends randomly get revived after being killed by Jammy.” Jams tells her. Jella is shocked. “Wait… SHE KILLED YOU?” “Well, yeah. One time she went crazy and killed me, Gabe and Bupps and yesterday she killed Bupps again and also Pou. She also stabbed me in the head…” Jams explained. “Somehow, we were revived out of completely nowhere. I’m not sure how it works.” Jack is interested in this as well. “I didn’t know my brother could magically revive himself.” “Well here’s the catch, I didn’t revive myself. Yesterday, Bupps randomly woke up from his death and my head started to feel better. It was so sudden.” Meanwhile, in the hospital again, a worker ran up to Jammy and caught her smoking. “HEY, YOU CAN’T SMOKE IN HERE!-“ Jammy gets up from her bed and slams the worker against the wall. The worker screamed in pain as blood went everywhere. Then, Jammy began to run out of the hospital. Back to Jams, he hears the yelling in the hospital, so he peeks into the window again. He was HORRIFIED when he saw the blood all over the room and Jammy slamming the worker against the wall. “HOLY CRAP!!” He yelled in horror. “She’s slamming someone against the wall!” “WHAT??” Jella shouts as she hears the information. Jams then saw Jammy flee out of the bloody room. “UHH… SHE JUST RAN OUT. There is blood everywhere…” “Do we need to call 911?” Jella asks Jams. “I think so, we need to think fast.” Meanwhile, Jammy is driving a stolen car on the way to her house escaping from the cops. She also explodes the cars and they go flying into the air. “NO ONE CAN STOP ME NOW!!” After saying that, she laughs like the psycho that she is.

Chapter 8: THE FLEE FROM JAMMY

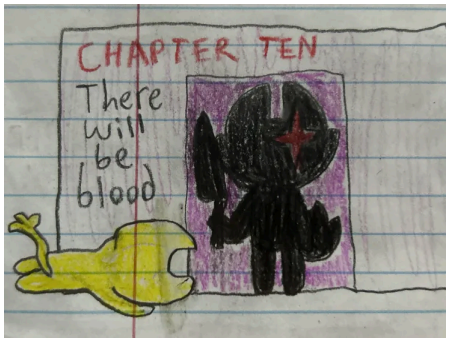


Jams hears the explosion and it startles him. “WE NEED TO RUN FAST.” He shouts toward the entire group. “GABE, BUPPS, PHOEBE, JACK, AND JELLA, FOLLOW ME, WE NEED TO GO.” Everyone then agrees and begins to follow Jams. Everyone then started running away, in severe fear that jammy will find them and kill them all. Meanwhile, Jammy was still being chased by at least 30 cops. She eventually got home to check to see if anyone visited her hacked website. Jams and his group were running away trying to avoid Jammy still. Jams was getting very tired. “We’re running very far, I think we might be safe…” he also heard the police cars and wondered if they were after Jammy. Kaiden was also running with them too, and he didn’t even notice. “Just saying guys, I’m running with you.” He says. “I’m scared of jammy too, she’s an insane psycho killer…” Suddenly they stopped running and a police officer approached them. “Hey, are you all okay?” He asks. Jams, very tired, responds saying “Yeah… we’re alright, sir… we were running from a psycho killer because we were scared she’d chase after us!” The cop knows who they are talking about already. “Yeah… the other officers are doing their best to catch her so we can lock her up, don’t worry, you all will be fine.” Jams is relieved. “Alright. Thanks for the help, sir!” The other cops are still struggling to break into Jammy’s home. “Sir, we can't open the door or break the windows. We’re trying, but she’s too powerful to fight.” A different cop said to the one that Jams just talked to. Everyone was scared. “Oh gosh…” said Gabe, quietly. “Yeah, she’s pretty powerful. She was attacking and fighting her siblings earlier and she also slammed a hospital worker against the wall at the hospital.” Jams and Jella gave the cops more information. “And according to Jams, she was also SMOKING in the hospital!!” “That’s terrible!” said the cop. Jams and his friends were glad to know that the cops were trying their best. “Me and the other officers plan to lock her up for 15 years or so,” said the nice officer. “Alright, officer. I wish you lots of good luck capturing her.” Jams wished them the best of luck.

Chapter 9: The group locates

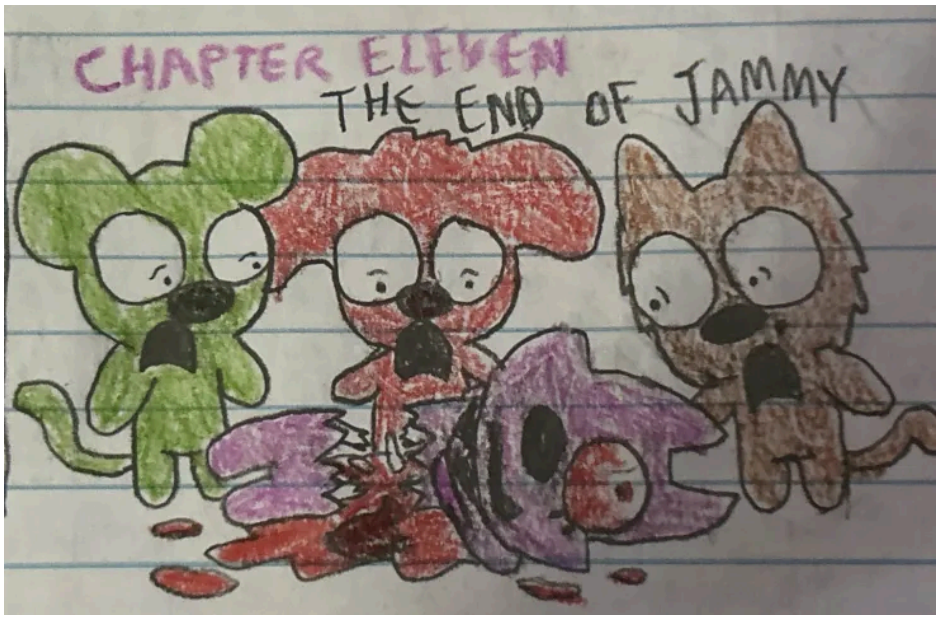
Meanwhile, a mysterious blue dino by the name of Timor appeared in Jammy's room. Jammy was confused and asked him who he was. "I am Timor Auctus Taurus, brother of Brutus Felix Taurus, and I don't know how the heck I got here." Timor would be towering over Jammy and had to duck just so his head didn't touch the ceiling. The cops were still trying to break in, and they finally busted down the door. "WE'VE GOTCHA NOW!!" shouts the cop after breaking the door to the house down. Jammy then stabs the cop in the eye. Afterwards, Timor bit onto the police officer and swung their body around. You could hear the bones in the officer's body snapping as Jammy watched it unfold. Timor then throws the broken corpse at the other officers and roars loudly, shaking the entire house. Jammy is very impressed. "Woah. This is bad@ss." Jammy said with a smile on her face. Now, let's go back to Jams and his friends. They were also looking for another friend of theirs at the moment. "What do you think the chances are that the cops entered and are being stabbed by jammy?" Jella guesses. "To be honest, that sounds like the correct hypothesis..." says Jams. Then, a red dino, named Brutus, finally finds the group of critters. "Oh, there you guys are!" says Brutus, as the group is finally glad to see him! Jams then tells him what's going on. "Brutus, I'm glad you're okay, Jammy has officially gone insane and was beaten up by her siblings. She also smoked in the hospital and slammed a worker against the wall!" Brutus was wondering where his brother, Timor, was at. "Oh... well I hope Timor is somewhere safe." "Same. If we don't see him, he should be easy to find, since he's massive." Jams says. Bupps then hears the roar of Timor come from the house. "Jams, I just heard a really loud roar come from that house over there. Should we investigate?" Jams was curious. "I guess we should... wait... I SEE TIMOR OVER THERE! HE'S CHASING SOME POLICEMEN!" Brutus then shouts "WHERE?" "Over at the house Bupps pointed to, come on gang, LET'S GO!!" They all started running towards the house.

Chapter 10: There will be blood



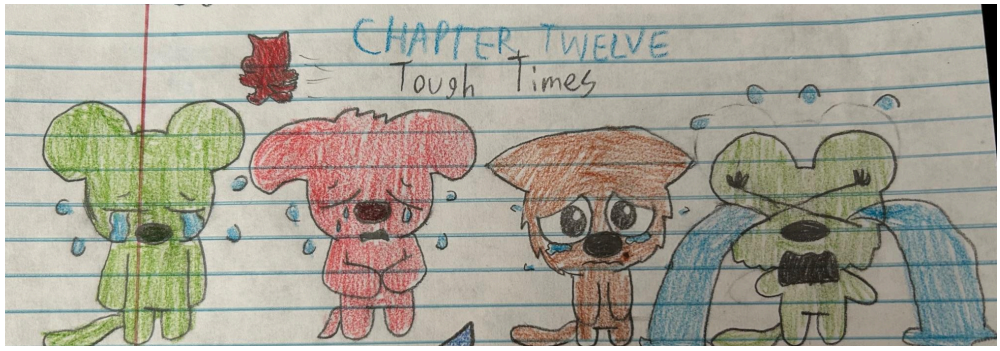
Timor was busy chasing after the other policemen, but then heard the voices of his friends and stopped what he was doing before carrying another corpse in his mouth. Jammy's PC then crashes unexpectedly. Jams and his group of critters approach Jammy's house. "Okay, this is the house that the roars came from. Proceed with caution, as I think this is Jammy's house, judging by the police around it." Gabe and Bupps were very scared. Timor then looked at the group, with the corpse still in his mouth. "TIMOR??" Jams shouts as he sees the dead policeman in Timor's mouth. Bupps and Gabe are very shocked too, and Gabe is about to pass out. "TIMOR, YOU WENT ON A HUNT WITHOUT ME?" Brutus angrily yells at Timor. Jammy hears the noise and turns around, noticing Jams and his friends. Bupps starts shaking in fear hoping he doesn't get killed… Timor then drops the corpse in front of Brutus. "It was… unexpected." He then gestured Brutus to eat before turning back to Jammy. Jams whispered to his group, "Get ready to run away any second now." Jammy then pulls out a BIG knife. "Umm… she has a big knife…" says Jams with a worried look on his face. Oh crud…" says Jella in fear. Timor is standing behind Jammy menacingly. And then… Jammy starts running at the group trying to attack. "OH GOD, RUUUUUN!!!" screams Jams as him and his friends started to run away. Timor then rams into Jammy, knocking her over. The group hears Jammy scream as she gets knocked into the ground. They look at what's happening, but then notice that someone's missing. "Hold on… where is Gabe?" Jams asks. Bupps quickly answers. "Jams? Look over there…" Gabe was still by the house, lying on the floor, unconscious. "OH NO! HE FAINTED AGAIN!! I knew this was going to happen…" Jams shouts as he discovers Gabe. Timor then stomps on Jammy, keeping her pinned to the ground. "AAAAAHHH STOP IT!!!" Jammy demands Timor. "Timor has Jammy pinned to the ground, we need to go get Gabe FAST!" Jams the gives Jella some instructions. "JELLA, GO GET HIM!" "M-me??" Jella questions. She is scared she'll lose her life. "YEAH, GOGOGOGOGO!!" shouts Jams. "OKAY!" Jella then runs to grab Gabe's unconscious body. Timor is still keeping Jammy pinned to the ground. "Now give me one reason why I shouldn't tear your puny mammal body in half…" Jella grabs Gabe really quickly and runs back to the group. "OKAY, I GOT HIM!" Jams determine what will happen next. "Okay, now who wants to carry him?" Bupps offers to carry Gabe's body. Jella then gives Gabe to Bupps. Jams notices what's about to happen and turns back around. "Wait, don't run yet…" Bupps asks why. "Because they're about to deal with her, she's not chasing anyone right now! We need to go back," Jams answers. "Alright then…" The group runs back toward the house looking at what is about to happen.

Chapter 11: THE END OF JAMMY



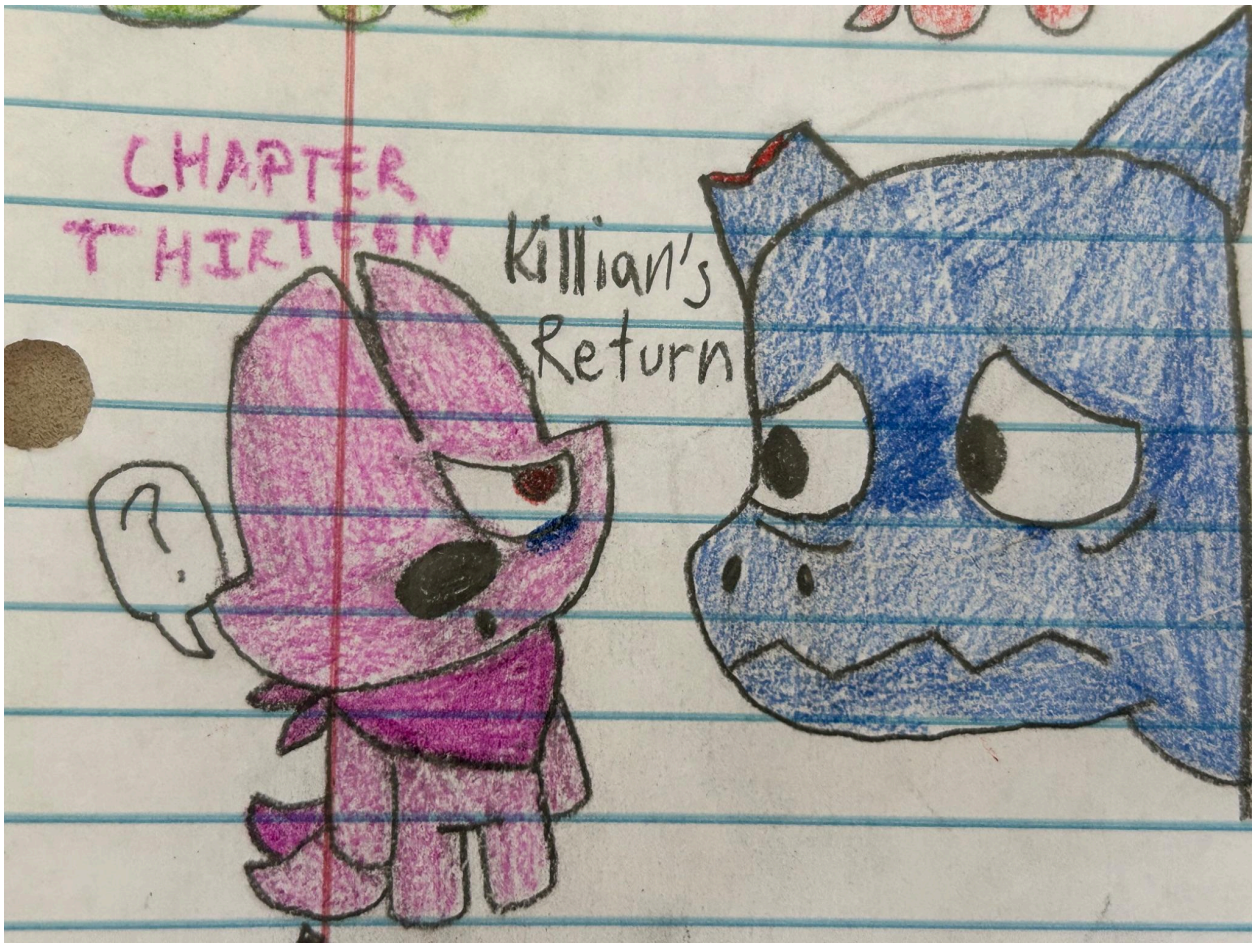
Timor starts to talk to Brutus and the group about what happens to Jammy. “Hey, Brutus. Do we kill this fox?” he asks. Brutus turns to the group. “I mean… should we…?” Jams, with a worried look on his face, starts answering… “She’s a psycho. She murdered me and my friends.” “And she cut off my ears…” Bupps adds. “She committed many crimes!” Jella also adds. Brutus nods at Timor. Jams then talks to the group more, saying “Group… I think she might be done for.” The entire group then looks at Timor and Jammy. Timor then looks at Jammy. “Any last words…?” Jammy sighs. “Well, I, uhhh…” Jammy doesn’t know what to say. “Hurry up.” Timor begins to put more pressure on the poor fox’s body, beginning to snap a rib or two. The group starts to sweat heavily witnessing this unfold. Jammy then starts to talk. “OKAY, OKAY! I’M SORRY FOR EVERYTHING I’VE DONE, EVEN FOR KILLING YOU ALL!” The entire group gasps at Jammy’s words. “I’LL NOT DO IT AGAIN, IF YOU JUST LET ME GO AT ONCE!!” The group begins to wanna spare her. Timor has already decided what to do to her though. “The decision has already been made, however. Nothing personal kid…” Timor then proceeds to tear Jammy into two pieces. Blood goes all over the place and Jammy is dying. “AAAHH!!!” Jams shrieks at the horrific imagery. “SHE WAS… A-APOLOGIZING… AND YOU RIPPED HER IN HALF…” he says, stuttering. “I can’t look…” Bupps says as he covers up his eyes and sits down. Jammy finally dies. “She… she’s dead… should we really celebrate…?” Jams stutters some more. Timor then begins to eat the pink fox’s dead body then look at the group with a confused expression. “What? She could’ve been lyin’.” Jams is still stunned at the horrific scene. “I- I don’t know what to s- say… I don’t know whether to be happy or sad…” Jella then begins to cry a little bit. Suddenly, Jammy’s PC turns back on. Everyone stops to look at it and sees Jammy on the screen, trying to pop out of the computer screen. Timor goes ahead and shatters the screen while he still could. All hope was lost. “NO!!-“ Jams screams, and Jella begins to sob.

Chapter 12: Tough times



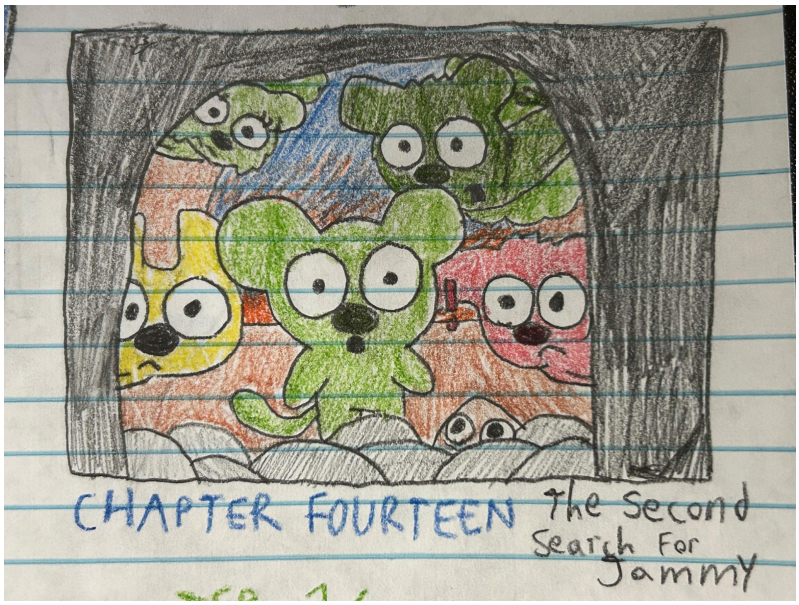
But wait… Jammy managed to jump out of the PC right when Timor went to destroy it. The group gasps in surprise in relief and shock. Timor then tried to snap her up when she jumped out of the computer screen, and missed. Jammy then disappeared. The group had no idea where she went after avoiding Timor. “STOP TRYING TO KILL HER!! SHE WANTS TO APOLOGIZE!!!” Jams shouted at Timor. “I feel like we need to give her a second chance…” “The last time something apologized to me, it was the wretched thing that killed my parents. And do ya know what I did to it?” Timor says. “What…?” Jams feels bad for Timor now that he knows that he is an orphan. Timor then takes a Tyrannosaurus Rex skull out of his pocket. “This is all that remains of that thing. It decided to try and apologize instead of running away.” Jams feels really bad for Timor. He’s probably been through a lot as a kid. Brutus starts to talk again. “Maybe the gang is right. Maybe we should give Jammy a second chance…” “We should.” Kaiden says. The whole gang agrees that Jammy deserves a second chance in life, however, Timor doesn’t, though. “Second chance? There are no second chances in life, Brutus. Ya think that d@mned Rex gave our parents a second chance? No. It didn’t.” The entire gang starts to look sad. “And if ya want your precious friends to stay alive… we should eradicate that d@mned fox.” Brutus was speechless. “I- I…” Brutus stuttered before running away from the group. “W-WAIT!- BROTHER, I’M SORRY!!-” Brutus was already gone at this point. The entire group begins to tear up. Timor also tears up a little, sitting on the ground shaking his head. Jella starts to sob really loudly. Timor by far would’ve been crying the most, but he forced himself to keep quiet… Suddenly, in these tough times, Gabe finally wakes up. “Ugh… What happened? Why are you all crying so much?” “We’re g-getting really emotional right now d-due to Jammy… Timor was trying to kill her right when she was about to apologize.” Jams answers. “Y-yeah… we need to give her one more chance…” Everyone wanted her to be spared, but still don’t know where she went. Timor is truly speechless at the moment. He is TRULY alone now. The last of his family had left him… the whole gang is still crying, and Jella begins to speak up. “We all want her to survive. She was just about to apologize, yet she was given no chance to do so. And now, we don’t even know where she is. Brutus ran away too… How can this day get any worse…” Timor then adds, “A day can always get worse. Don’t jinx it for yourself.” “True…”

Chapter 13: Killian's return



Suddenly, Killian, Jammy's sister, shows back up. "What happened? Where is Jammy?" Timor looks over at Killian as the sudden realization sets in. Jams answers his question. "I have no idea where Jammy is now. She was about to apologize for all of her crimes, but Timor tried to kill her." "I did… I did kill her…" Timor adds. Killian is stunned. "Yeah, Jammy was killed by Timor, but then she came out of the PC before he smashed it, and then mysteriously disappeared. I think she might be gone for good now…" Jams informs Killian. Timor then adds, "I tried to hit her when she came out of the PC, but I missed. I think after I missed she ran off somewhere really quickly." "Then… that means she is still alive…" Jams concludes. Timor was now seeing himself as a monster, as the same ruthless beast that had killed his parents so long ago. "Gang, we need to find her. We need to hear her full apology." Jams directs. "Goodbye, Timor. We need to look for Jammy." "Goodbye. Don't come back lookin' for me if ya find Jammy." Jams then leads the group away. "Alright, bye. C'mon, group! Let's go!" Timor walks away and the group of critters leave the house to go look for Jammy.

Chapter 14: The second search for Jammy



Jams and his friends begin the journey to hunt for Jammy. “Okay. If I were a pink fox with one eye and two tails, where would I be?” Jella responds with “no clue.” Bupps looks around but doesn’t find anything. Then, Jella finds a forest. “Ooh, I see a forest over there!” “Do you think Jammy could be in there, Jams?” Gabe asks. “I’m not sure, but it’s worth a shot. Let’s go into it…” Jams and his friends run toward the forest, hoping to find Jammy. When the group went into the forest, Jams yelled out, “Hello? Anyone in here?” There was no response except some faint running sounds. “Okay. Let’s start looking, gang.” The gang then starts looking for clues to find Jammy. While looking, Jack found a small cave. “Hey, bro, I found this small-looking cave!” “Ooooh! Not sure if Jammy could be in there or not, though…” says Jams. “Should we check?” Bupps asks. “I think we should.” answers Kaiden. They begin to walk toward the cave, until they hear a loud “MEEP!” and freeze. Jams says, “I hear a POU!” “Yeah, and I think it’s coming from inside of the cave.” Kaiden mentions. Right before they walk in, Pou comes flying out of the cave. It startles the gang. “Meep meep meep!” “Yep, that’s Pou alright.” says Gabe. “We need to go into that cave,” says Bupps. “Okay then, let’s go.” Jams then sees some rocks being put into the cave’s entrance. “It seems that there are some rocks starting to cover it up…” says Bupps. “WE NEED TO GO INTO IT, QUICK.” Jams shouts. “THEN GO IN ALREADY, STOP WASTING OUR TIME!!” Bupps yells. “Okay, I’m gonna try to move the rocks out of the way.” said Jams right before he started moving the rocks out of the way. Jammy then freezes when she notices the group of critters. The group also froze in shock as well. Jams finally speaks. “So… didn’t you wanna apologize?” Jammy starts to worry again. “Ye- yeah… so…” Suddenly, the group felt as if they were being watched. “Wait a second… hold that thought… I have a strange feeling… it’s like I’m being watched.” Jams mentions. Gabe then adds, “Yeah, same. Kind of a weird feeling…” Jammy is wondering what they are talking about. “S-should we look behind us??” asks Bupps with a worried voice. The gang slowly looks behind them, to see a fully black dinosaur with realistic eyes… It kind of resembled Brutus.

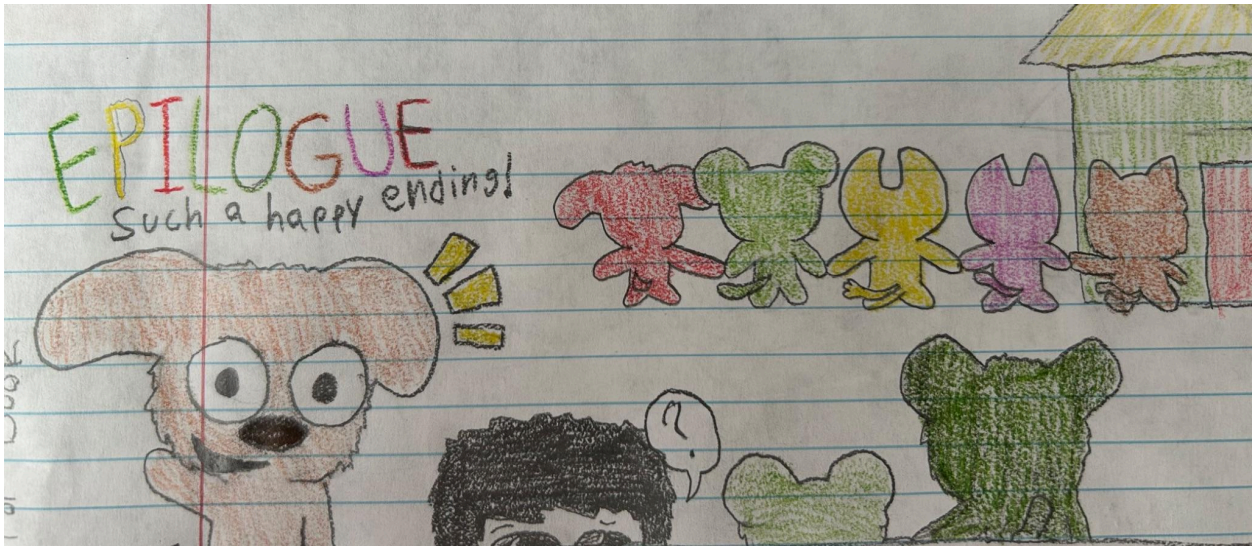
Chapter 15: Strange dinosaur

Jams is stunned at the sight of this strange Brutus. Bupps is shaking a lot in extreme amounts of fear. “B- Brutus?? Are you okay?” Gabe worrily asks him. Jammy turns around to see the dark Brutus. “What happened to Brutus…?” Jack asks. The dark Brutus finally begins to talk. “What? Y’all lookin’ like you’ve seen a ghost…” Jams then stutters in a worried tone, “Um- uhhhhh… Something isn’t right. Look at your hand.” “What do you mean something isn’t ri-” Brutus then looks at his hand. “UHHHHHHH-” The group is very scared. “WHY DO YOU LOOK LIKE THAT???” Jams exclaims. Jammy is also confused still. “What the heck is that thing?” “I DON’T KNOW… ALL I DID WAS TOUCH SOME BLACK GOOP!!” Brutus reveals. “YOU’RE DARK… AND YOU HAVE SCARY REALISTIC EYES…!” Bupps says, shaking in fear. “I’mscaredI’mscaredI’mscared…” Jammy then realizes who it is. “Oh, wait. You’re that red guy that told me why I killed them.” corrupted Brutus confirms that he is indeed still Brutus on the inside. Brutus then goes to the creek to wash the goop off of his body. He came back looking good as new. Jams then tells Brutus, “You’re… back to normal.” Brutus has regained emotions as he tries to run off again. The gang is very confused now.

Chapter 16: Jammy's apology

Jammy gets back to her apology, and Jams tells the group to listen to her. "Okay, so… I'm sorry for everything I have done to you and all the crimes I've committed. And I wish… that… I wasn't born like this at all. I thought I was having fun until I realized that I have taken this way too far… And- ummmm… I-" Jammy couldn't hold her fears in anymore and started to tear up. Jams was starting to get a little sad watching her apologize. "I… hmmm…." Suddenly, Kyokuma walks up to the group. "What's all the hubbub?" Jams doesn't know Kyokuma. "Wait… who is that?" Kyokuma answers, "Oh- 'sup. My name's Kyokuma, I got crittified." "Ooh, cool, nice to meet you!" Jams greets him. Kaiden has known him since 7th grade. "Hey, Kyokuma!" "'Sup, pal." Kyokuma responds. Jammy is still sobbing in tears of pain… she may have had trauma from when she was a child. "Well, right now, Jammy is apologizing for her crimes," says Kaiden. "She's in tears…" Bupps adds. "Wait… there are laws in this place?" Kyokuma asks. Kaiden answers, "Yeah." Kyokuma then notices the pink fox sobbing due to her trauma. He walks up to her and gives her a hug. The group starts to look at Kyokuma hugging Jammy. "It's gonna be okay… Alright, bud?" Jammy is still in tears but doesn't mind the hugs. The entire group's hearts start to melt watching this, it's just too sweet. Kyokuma comforts Jammy to the best of his ability. Suddenly, Jammy stops thinking of the trauma and bad thoughts, and hugs Kyokuma back. "This… is so… wholesome…" Jams cheerfully says. Kyokuma gives a calm smile. The entire group agrees that this is the most heartwarming thing they have seen all day. Jammy finally stops tearing up. "My heart is melting… This is just too sweet for me…" says Jella. Kyokuma lets go of Jammy and gives her a lollipop. Jammy loves the lollipop… The entire group of critters have had their day made. "I feel so bad for telling her sisters to kick her butt now…" Jams mentions. "It's fine, **we all make mistakes.**" Kyokuma says with a smile on his face. "Welp, I better go check on the dinosaur brothers. I'll be back." "Alright, bye, Kyokuma… Thanks for helping…" Jams says. Brutus was asleep and Timor was carrying him. "Hey… is it okay if we use this cave as our new home?" Timor asks. Jams answers, "Yes, you may. As long as Jammy is okay with it." Timor would straight up bow down to Jammy as a sort of non-verbal apology.

Epilogue

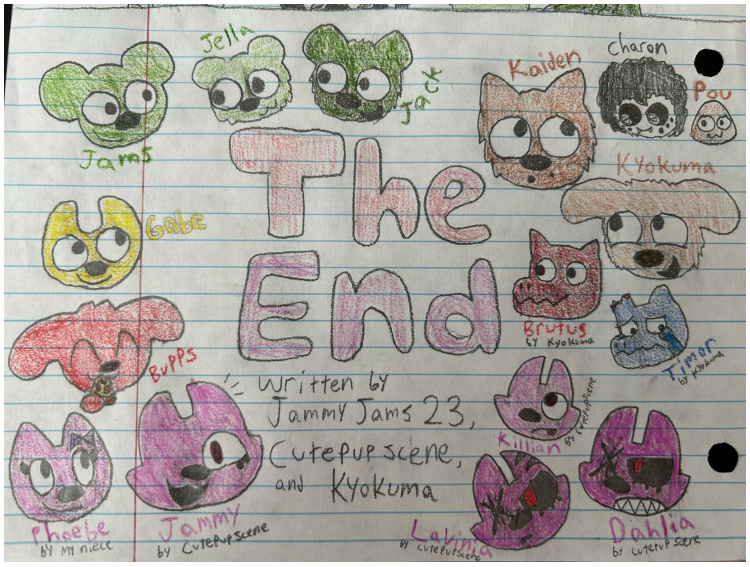


Jams reflects on what they've done. "Well boys, we did it. We've helped Jammy change, we've helped Jammy apologize, and we've helped everyone stay alive too." All of the critters shout "YEAH!" Kyokuma then says, "Yippee! I always thought she was a good person at heart." Jams agrees. "Same. So remember that **we are JamsCards, and we can help anyone feel better in life!"** All of the critters shout "YEAAH!!" again, louder this time. "Well anyways, we must go back home now," says Jams. "Today was a big day," says Gabe. "And we need some rest," says Bupps. "We gotta get going now…" says Kaiden. Jams says goodbye to Jammy one more time before they go home. "Well Jammy, I hope your life improves and we will see you later. Goodbye, Jammy." Jammy smiles as she says, "Goodbye, Jams." The entire crew began to walk back home, thinking about how heartwarming that experience was. Bupps gets to eat some pizza for dinner, and everyone gets to watch TV at home and live in peace knowing that Jammy is no longer a psycho…

Kyokuma: "Welp, guess the book is over now. Remember… Everyone deserves a second chance, and I will see you all in the next one. Cya!"

Charon: Kyo, who are you talking to?

Kyokuma: Eh, nobody.



The End. Hope you've enjoyed it!
